

# 2002 Pinot Gris

Willamette Valley, Oregon

**Outstanding!**

Oak  
Knoll  
OREGON  
WINES

One of Oregon's oldest wineries,  
Oak Knoll traces its roots back to 1970,  
when few others thought world-class grapes  
could be grown in the cool Willamette Valley.

**This quintessential Oregon Pinot Gris is loaded  
with aromas of minerals, dried apricots and lemon zest,  
followed by flavors of crisp apples and ripe pears.  
A well-balanced and well-made wine to enjoy with fresh crab.**

As seen in... *Wine Press Northwest*, January 2005
