THE REASON FOR THE EVENT:

Cancer Care Resources, the 501(c)3 non-profit, community-based organization that offers support to anyone in the Portland/Vancouver area, has closed its doors. Their ability to reopen them depends solely on sponsors, donors, clients, staff, and friends. CCR has brought help and hope to those with cancer and their families, and is determined to keep their important work vibrant and well.

ACCORDING TO OAK KNOLL PRESIDENT GREG LINT:

“Cancer Care Resources is a tremendous resource for our community. It provides a place to find guidance, counseling, and the “all important” comfort for cancer patients and their families. Their services are available free of charge, so patients can start immediately to manage their life’s new situation. As a cancer survivor, I know first-hand how important Cancer Care is not only to our community, but also to each person who has to experience this life altering disease.”

As soon as Greg Lint realized that this event was having a difficult time getting off the ground, he offered Oak Knoll Winery as the perfect place to host “Bid for the Future.”
