Bucko's New Releases

By Randy Buckner

Winter 2007 Releases

The holiday season is in full swing now. Just like the Thanksgiving table, our Christmas table is filled with a variety of food, which lends itself well to several wines.

2006 Oak Knoll, Chardonnay, Oregon, \$10, 3,657 cases. Straightforward, crisp and food-friendly, this unoaked Chardonnay gives up yellow apples and a hint of citrus; 83/85.

NV Oak Knoll, Niagara, American, \$7. Straw gold in color, with a very foxy smell characteristic of Labrusca grapes. The wine is fruity/grapey, off-dry and showing nice balance. Pretty nice if you are a Labrusca fan; 84/87.
